Na hey, na hey, na hey, na hey
Oh my baby likes to burn
One last kiss she'll ever earn
Oh my baby likes to give
And give and give until it hurts
Oh my baby so extreme
She's exactly like just like
Wait up slow down kick it up straight out
Way up low down kick it up straight out
Kick it up bring it down

You are always on my mind
I'd give it all if you were mine
Na hey, na hey, na hey, na hey

We are both one and the same
Mastermind and misbehave
Never any other way away away
We're always crazy
Oh my baby so extreme
she's exactly...

..Just like me

You are always on my mind
I'd give it all if you were mine
You are always on my mind
I'll watch you walk away
For the last time

Run, she'd like to run, she'd like to run
From the ones who love her
Run, she'd like to run, she'd like to run
From the ones who love her

You are always on my mind
You are always on my mind
I'd give it all if you were mine
You are always on my mind
I'll watch you walk away
For, for the last time
For the last time

For the last time
For the last time
