Brother, what have you done?
Sticking needles in your arm.
Brother, never said we'd walk away from family.
These so called "friends",
They kept pushing you in.
I hate my love for you,
But you cared for me, so I'll care for you.
[Chorus:]
Brother, will you come home?
You've hit the ground so hard, it's breaking me down.
Brother, brother, we make a stand.
You've hit the ground so hard,
So, take my hand.
You said yourself that you were done with this.
I believed you, it's the trust I miss.
When my eyes (...)
You'll remain part of everything.
I am your friend, talk to me.
Tell me anything.
I love you despite everything.
This is family.
[Chorus]
This means everything to me.
(This means everything to me).
Will you come home?
Brother, will you come home?
You've hit the ground so hard it breaks my heart
