My sight is 20/20
That's why I can't forgive, that's why I can't forget
Intuition, was on the money
Got eyes in the back of my head, and I know what you
did
Oh no no

Straight as an arrow
Time to get the hell out
I can never leave you alone
See a pretty face
Kiss is like a handshake
See the pretty face
Kiss is like a handshake
What about me
So what, so what

Hide her prescription papers
We are different breeds
Hybrid sexuality
My girl, so dirty
Got a bomb in her belly and she carried me
Lost control at 23

Straight, let go
Straight, let go - I'm no killer

Straight as an arrow
Time to get the hell out

I can never leave you alone
See a pretty face
Kiss is like a handshake
See the pretty face
Kiss is like a handshake
What about me
So what, so what

Straight, let go - I'm nuclear
Straight, let go - I'm no killer

Straight as an arrow

Time to get the hell out
I can never leave you alone
See a pretty face
Kiss is like a handshake
See the pretty face
Kiss is like a handshake
What about me
So what, so what

What about me
So what, so what
What about me
So what, so what
What about me
So what, so what

Na na na na na,
Na na na na na,
Na na na na na
So what so what
