Mr. Man in the moon  
Are you really blue  
Are you shedding a tear  
While you shine  
If you feel like I do  
Mr. Man in the moon  
Then your heart must be  
Broken like mine  
Are you lonesome  
There's not a star in sight  
Well I'll be right here  
We're both up for the night  
Mr. Man in the moon  
Are you really blue  
Are you shedding a tear  
While you shine  
If you feel like I do  
Mr. Man in the moon  
Then your heart must be  
Broken like mine  
To the whole world  
You show a smiling face  
I feel like the dark side  
That you hide away  
Mr. Man in the moon  
Are you really blue  
Are you shedding a tear  
While you shine  
If you feel like I do  
Mr. Man in the moon  
Then your heart must be  
Broken like mine
