I'd kill today to get out of this darkness of your shadow.  
I am tired from believing anyone can do this thing.  
I've given everything away in hopes I could accomplish  
what so many groups have done before.  
I barely touch the ladder.  
[Chorus:]  
Oh, it takes its toll.  
I've given up enough to make it to the top.  
It's tearing me apart.  
I'm singing from my heart.  
But, hey...  
I don't wanna say it.

I don't wanna hear how much you're making.  
Always telling me to change our sound,  
Always trying hard to bring us down.  
I said hey,  
I don't wanna say it,  
One look at our name and you hate it.  
It don't mean shit, I'm over it.  
[Chorus]  
Take a deep breath,  
Hold it in until there's nothing left.  
I said take a deep breath,  
Hold it in until there's nothing left.  
[Chorus]
