Buried in here,
You can find my heart.
Say you will,
Stay tonight, could be...
We could get,
Lost in ourselves.

No more waiting on anyone,
This is the creed:
You and me tonight.
We can: wonder together,
Make noise and raise hell;
We're selfish as you are,
Keep this for ourselves!
You and me tonight.
We can: run off together,
Sing songs out of key;
Nothing else matters, just you and...

I am ready, as I'll ever be.
Say you will, stay as
Floating in the tree.
Lost in ourselves...

No more waiting on anyone,
This is the creed:
You and me tonight.
We can: wonder together,
Make noise and raise hell;
We're selfish as you are,
Keep this for ourselves!
You and me tonight.
We can: run off together,
Sing songs out of key;
Nothing else matters, just you and me.

Only we, had it in to save ourselves.
There's no mistake- you're runnin' through my veins.
Only we, had it in to save ourselves.
Can we remain, never be the same?

You and me tonight.
We can: wonder together,
Make noise and raise hell;
We're selfish as you are,
Keep this for ourselves!
You and me tonight.
We can: run off together,
Sing songs out of key;
Nothing else matters, just you and me.
