I feel there's something here,
But I don't know.
My heart beats quicker, now...
Because of you.

You're the girl with the red dress on,
You're the girl I've dreamed about...
Drifting away.
Woah.
We're not alone, just you and me, baby.
Take you home.
(Don't tell me you're not)
I'm so in love with the thought of loving you, baby.
My heart beats quicker, now.
My heart beats fast for you.

You leave me speechless, and so afraid.
Being rejected by you means everything.

You're the girl with the red dress on,
You're the girl I've dreamed about...
Drifting away.
Woah.
We're not alone, just you and me, baby.
Take you home.
(Don't tell me you're not)

I'm so in love with the thought of loving you, baby.
My heart beats quicker, now.
My heart beats fast for you.

Drifting away, I dream of a day, I'm kissing the pain
away.
Kissing the pain, I dream of a day I'm kissing the pain
away.
(I'll kiss the pain away).
Kissing the pain, I dream of a day I'm kissing the pain
away.
(I'll kiss the pain away).

Woah.
We're not alone, just you and me, baby.

Take you home.
(Don't tell me you're not)
I'm so in love with the thought of loving you, baby.
My heart beats quicker, now.
My heart beats fast for you.

Woah.
We're not alone, just you and me, baby.
Take you home.
(Don't tell me you're not)
I'm so in love with the thought of loving you, baby.
My heart beats quicker, now.
My heart beats fast for you.
