Say hello to homewrecker everyone.  
Define her it means she'll fuck anyone.  
No self-esteem, she's on her knees.  
Not leaving much to the imagination.  
In those pretty high heels.

Amy stand up and receive this award.  
I am pleased to pronounce you a whore.  
Amy you're such a disease you're the queen  
of sleaze rule the streets from your knees.

You'd take off your clothes  
Don't bother him with those.  
The wedding band on his hand says it.  
But you couldn't care less about which man you're in  
bed with.

Oh, Did I hurt your feelings?  
Am I so untrue  
Would you meet his family?  
I didn't think so.  
Not leaving much to the imagination.  
In those pretty high heels.

Amy stand up and receive this award.  
I am pleased to pronounce you a whore.  
Amy you're such a disease you're the queen  
of sleaze rule the streets from your knees.

[Bridge]

Strip away. Dignity's overrated. Straight forward.  
I hate her more. Stripped away. And oversaturated.  
I call her - HOMEWRECKER

[Guitar Solo]
