Driving on, it's been so long.  
My letters never say,  
I think of you, and all the times we've made.  
Up and down this lonely road,  
Horizon's getting old.  
And all I ever wanted, is waiting at home.

I can't wait to see you,  
Again.  
I can't wait to see you,  
Again.

Best I can is love you,  
Do everything this way.  
Tried to make you happy,  
You're beggin' me to stay.  
When did I begin?  
Yeah, I couldn't let you go,  
All I ever wanted is waiting, at home.

I can't wait to see you,  
Again.  
I can't wait to see you,  
Again.  
Didn't know when...

On and on, may not be rational,  
Oh, needed to leave.  
On and on, may not be magical,  
Oh, oh, I miss you.  
And I, I...

I can't wait to see you,  
Again.  
I can't wait to see you,  
Again.

It's a long way home just to see you again,  
It's the hardest road I've ever known, yeah.

I can't wait to see you,

Again, again, yeah.
