Tell you that the world is never gonna end  
Don't open your eyes to them I can  
[x2]

So we all strive to do the best we can  
Clouding their eyes with ivory lies  
Build a safe haven from their whats and whys  
We shelter their minds with ivory lies  
At some point, they figure out...

Oh, with so much going on lyings my disguise  
So innocent and sweet, thats what I adore  
So much going on  
I don't think your ready for

Oh lyings my disguise  
What you don't know-What you don't know  
Can't hurt you

You can't regret the choices you've made  
The choices you've made  
Life is in you today-When you make your tomorrow  
Why? Why the White Lies?

Oh, so much going on lyings my disguise  
So innocent and sweet, thats what I adore  
So much going on  
I don't think your ready for

Oh, lyings my disguise  
What you don't know-What you don't know  
Can't hurt you

You cry white lies

Oh, so much going on lyings my disguise  
So innocent and sweet, thats what I adore  
So much going on  
I don't think your ready for

Oh, lyings my disguise  
What you don't know-What you don't know

Can't hurt you

So we all strive to do the best we can  
Clouding their eyes with ivory lies  
Build a safe haven from their whats and whys  
We shelter their minds with ivory lies  
At some point. they figure out...
