It's a sad the story  
Yunanhido balgun hessal gadughan  
Ichi mothal haru  
Nul kumkwo odon arumdaun nare  
Baraji anhadon nunmuri chajawa

Gude ibgae momun shirin maltuga  
Modun bichul dada  
Suchin barammajodo sumjugyo uro  
Cause you're breakin' my heart

How should I know rain comes again  
Tell me we're leaving me again  
Please don't go stay here however (now and forever)  
Come back to me

It's a sad story.  
Nul kumman gathdon arumdaun nare  
Nunmuri chajawa

Mojin ibyore jichyo sumjugyo uro  
Cause you're breakin' my heart

I cannot breathe  
I won't be healed  
I want to see what I was  
I must be blind  
I want to get back to that light
