You should have seen it coming now it's too late  
She bought the half price ticket on the midnight train  
You wouldn't understand 'cause you lie and cheat  
so she wrote it out in lipstick on your satin sheets  
She drew a broken heart she drew a broken heart  
Torn right down the middle in a red jagged line  
She drew a broken heart and put your name inside  
She had to draw you a picture to make it sink in  
Revlon Rose was her poison pen  
For god's gift to women you ain't got a clue  
That red broken heart belongs to you  
She drew a broken heart she drew a broken heart  
it ain't no cupid's arrow aint' no valentine  
She drew a broken heart and put your name inside  
No lovesick words gonna bring her back  
The buck stops here buddy thats a fact  
No matter who's right no matter who's wrong  
Anyway you cut it she's gone  
She drew a broken heart she drew a broken heart  
Torn right down the middle in a red jagged line  
she drew a broken heart and put your name inside

Right down the middle right down the line

She drew a broken heart and put your name inside

Whoa, she's gone
