After all my lonely nights

Without an end in sight

A morning shining bright for me awaits

Where the sweetest times will last

All's forgiven fromt he past

Someday

I will

One day I know I will

Someday I will lead the parade

Though they've scattered throught the years

Old friends will gather near

With nothing but the kindest words to say

And the sweetest times will last

All's forgiven from the past

Someday

I will

One day I know I will

Someday I will lead the parade

and the sweetest times will last

All's forgiven from the past

Someday

I will

One day I know I will

Someday I will lead the parade

Someday

I will

One day I know I will

Someday I will lead the parade
