It was three in the morning when he took me apart

He wreked my house and he wrecked y heart

He danced on my head just like Aruthur Murry

The scars ain't gonna mend in a hurry

Just when I thought that things would get better

Right through the door came a tear stained letter

(Chorus)

Whoa,Oh,Oh Lord,Lord

Cry and Cry if it makes you feel better

Set it all down in a tear-stained letter

Whoa,Oh,Oh lord,Lord

Cry and cry if it makes you feel better

Set it all down in a tear stained letter

Well My head was spinning just a little too fast

It was writing checks that my body couldn't cash

I jumped to my feet i was reelin' and a dizzy

I went for the phone but the line was busy

Just when I thought that things would get better

Right through the door came a tear stained letter

(Chorus)

Now I like coffee and I liek tea

But i just don't like this feeling in me

It makes me nervous it gives me the hives

looking for the truth in a pack of lies

Just when i thought that things would get better

Right throught the door came a tear stained letter

(Chorus
