Soft light, overrated  
A million pieced, intergrated  
Shell shocked, be alone  
Camera-shy, you're such a voyeur

Go, go, bed of gold  
Stop until it's taken over  
How soon, but you want it now  
How soon, but you want it now

Love on your face  
Makeup melting off when you're waking up  
When you're crawling out  
I am all peace  
A sentimental part of misery  
Horrific to your knees

Sweet stains dripping over  
Soon, you're hiding undercover  
You feel like a cannonball  
You blow a lot  
You blow it all

Go, go, bed of gold  
Stop until it's taken over  
How soon, but you want it now  
How soon, but you want it now

Love on your face  
Makeup melting off when you're waking up  
When you're crawling out  
I am all peace  
A sentimental part of misery  
Horrific to your knees

Oh!

Go, go, go, go  
Go, go, go, go  
Go, go, go, go  
Go, go, go, go
