Loverboy - Lady Of The 80's Lyrics

Ooh she drives me crazy  
Ooh she turns me on  
She, she makes me go hazy  
She was long and lean and oh so beautiful

She's my latest lady  
My lady of the 80's, oh yeah

She makes it easy  
She makes it hard  
She, she knows how to please me  
She gives me love and ooh she gives me everything

She's my latest lady  
My lady of the 80's

You better leave her alone 6x

There he was walkin' down the street  
Takin' it easy  
Talkin' to that girl of mine, oh yeah  
There he was, taking it easy, walkin' down the street  
Talkin' to that girl of mine, girl of mine

You better leave her alone  
I said leave her alone 4x  
You better leave her alone  
Leave her alone, leave her alone  
You better leave her alone 3x

She's my latest lady, my lady of the 80's  
My lady of the 80's  
She's driving me wild  
She's my lady of the 80's  
She's makin' me crazy, she's makin' me crazy  
She's drivin' me wild, yeah, oh yeah  
My lady of the 80's, lady of the 80's  
Driving me wild, driving me wild  
Drivin' me wild, yeah oh yeah
