We just heard of a brand new wave
And we hope it's here to stay
Well have to wait and see
If it's half of what they say
We heard he opened up a brand new door
Well you know that's what I'm lookin for
Well have to wait and see if it makes you shout for
more
How do you like him so far?
How do you like his show?
How do you like the way he rocks and the way he rolls?
How do you like his image?
How do you like his style?
How do you like the way he looks and the way he
smiles?
CHORUS:
The Kid is hot tonight
Whoa so hot tonight
But where will he be tomorrow?
The kid, is hot tonight
Whoa so hot tonight
But where will he be tomorrow
And we just heard of a brand new fad
And they say it's gonna drive you mad
Well have to wait and see if it's the best you ever had
And we just heard of a brand new wave
We heard it's headin for an early grave
Well have to wait and see if there's anything we can
save
(repeat chorus)
The kid is hot tonight
Whoa so hot tonight
But where will he be tomorrow
The kid is hot tonight
Whoa so hot tonight
But where will he be, where will he be?
The kid is hot tonight
Whoa so hot tonight
But where will he be tomorrow?
The kid is hot tonight, whoa
