It's not easy to let you ignore me
Ask me; I'll tell you a story
About a boy with a love
And another one who can't let go, 'cause

It's quite clear, my dear
Your heart is somewhere near
But not so near
We've got a problem here

In my mind, we creep into the desert
Just the two of us
And we slide away, into forever

I can't help but wish you dead,
I wish you dead
Sometimes I wish you dead, my friend
Sometimes I wish you dead, my friend

It's not easy to let you ignore me
Ask me; I'll tell you a story
About a boy with a love
And another one who can't let go, 'cause

You've been out so long
I am a sweet gone wrong
You're in it for the drama
I'm in it for the love

In the night, I fly into your bedroom
Lay there by your side
And we dream away, into forever

I can't help but wish you dead,
I wish you dead
Sometimes I wish you dead, my friend
Sometimes I wish you dead, my friend

Sometimes I wish you dead, my friend
Sometimes I wish you dead, my friend

You would send me to the wolves

You would send me as a sacrifice
Cut me up and throw me out, that's what you do

I will never look to you with regrets
I will never miss you
I wish you were dead
