Chorus (2x)

On and off

On and off (Your love keeps going on, and off, and on)

On and off

On and off

On and off

On and off

On and off

On and off (Like a light switch)

Verse 1

Oh, I don't know what to do

Cuz you've got me

Your loves got me

So confused and

Oh, I can't take it no more

We make up

And then we break up

So tell me what should I do

Cuz you

Cuz you've got me

Going all crazy for you

And I can't sleep

And I can't eat

(Oh, cuz your love keeps going on)

Chorus (2x)

Verse 2

I was so

Wrapped up in you

But I should of knew

That you never really

Felt the same about me

But you lead me on

And made me believe

That you loved me

And that I was all you needed

But now I see

That I didn't mean  
Anything to you  
And although it hurts  
Your loves no worth it  
(Oh, cuz it keeps on going on)

Chorus (2x)

Bridge 2x

It's hard for me to be with you (keep me on don't turn  
me off)  
If you keep turning me off  
I can't live like this  
Tell me do you want to be with me

It's hard for me to be with you (keep me on don't turn  
me off)  
If you keep turning me off  
I can't live like this  
Tell me do you want to be with me

Chorus (2x)
