Ooh yeah

Well there's a world out there for the takin'  
And everything you'll ever need  
Now here's the facts, stripped down and naked  
If you want it you can get it all for free, yeah

Locked up tight here in the city  
With a million other people just like me  
Gonna find me some action, I need it now  
'Cause right here is the place I wanna be, oh

Don't you tease me baby  
Don't you keep me hangin' on

Now as a matter of fact, ain't no mistakin'  
I just ain't lookin' for love (I just ain't lookin' for love)  
Tell me what's wrong with that, my body's achin'  
I just ain't lookin', I just ain't lookin' for love  
Love, love, love

Ooh I been burnin' up my time alone  
But tonight I'm gonna rock you all night long  
And all I need is a little bit of love now baby  
\*\*\*\*\* if you can I can never get enough

Don't you tease me baby  
Don't you keep me hangin' on

Now as a matter of fact, ain't no mistakin'  
I just ain't lookin' for love (I just ain't lookin' for love)  
Tell me what's wrong with that, my body's achin'  
I just ain't lookin', I just ain't lookin' for love  
I don't want it, I don't need it, ooh  
I don't want it, I don't need it  
Ain't lookin' for love  
Ain't lookin' for love, love, love

I ain't lookin' for love, love, love  
Oh little heart breaker

Don't you tease me baby  
Don't you keep me hangin' on

Now as a matter of fact, ain't no mistakin'  
I just ain't lookin' for love (I just ain't lookin' for love)  
Tell me what's wrong with that, my body's achin'  
I just ain't lookin' for love  
I won't be comin' back, ain't no mistakin'  
I just ain't lookin' for love (I just ain't lookin' for love)  
Tell me what's wrong with that, my body's achin'  
I just ain't lookin', I just ain't lookin' for love  
Ain't lookin' for love, love, love

Ain't lookin' for love, love, love  
Ain't lookin'

Ain't lookin' for love, love, love  
I ain't lookin' for love  
Ain't lookin' for love, love, love  
Ain't lookin' for love  
Ain't lookin' for love, love, love  
Ain't lookin' for love  
Ain't lookin' for love, love, love  
Ain't lookin' for love, love, love
