Words and Music: Paul Dean, Mike Reno

Face to face, I can see that look in your eye  
But are you looking at me  
Cause you know things aren't what they seem to be  
Does it matter to you  
Or have you played that game before  
I can feel you across the room  
I wanna know just what it takes  
Cause you know that I've made some mistakes  
I've been down that rood before  
Don't want to feel like a wolf when I'm  
Banging on your door

So, break it to me gentiy all night long  
Break it to me gently or prove me wrong  
Take me to the point of no return, oh yeah  
Break it to me gently all night long  
All night long

So tell me if I'm wrong  
But wasn't it you that gave up  
Without a fight, last night  
So tell me if I'm reading you right  
That's when I felt that there was something going on  
And now I know what I wanna see

When you walk that way  
Do you walk that way for me  
Gotta know  
Or are you just putting on a show  
Cause you're everything I want  
And a little bit more

Break it to me gently all night long  
Break it to me gently or prove me wrong  
Take me to the point of no return, oh yeah  
Break it to me gently all night long

So break it baby

Here we go

Oh, oh, oh, oh oh  
Oh oh oh, oh oh  
Oh, oh oh, oh oh  
Oh, oh oh, oh oh

Break it to me gently all night long  
Break it to me gently or prove me wrong  
Take me to the point of no return, oh yeah  
Break it to me gently all night long  
Break it to me gently all night long  
Break it to me gently or prove me wrong  
Take me to the point of no return, oh yeah  
Break it to me gently all night long

All night
