One more night, all alone
Sittin' here by the telephone
TV light down the hall
Past the room where we shared it all

It could've been a stranger
But it had to be a friend
I see my life before me
Now it's comin' to an end

Destination Heartbreak
Destination Heartbreak

Telephone rings, no one's there
Another secret you two can share
Hands are tied, there's nothin' I can do
Can't help the way that I feel for you

It could've been a stranger
But it had to be a friend
I see my life before me
Now, it's comin' to an end

Destination Heartbreak
Destination Heartbreak

I look in the mirror
But I can't see myself
Oh, I see you smilin'
In the arms of someone else

It could've been a stranger
But it had to be a friend
I see my life before me
Now it's comin' to an end

Destination Heartbreak
Destination Heartbreak
Oh

Destination Heartbreak
Destination Heartbreak

Heartbreak
