You know and I know  
It isn't right  
We tried so hard  
Every night

Bridge:

I can still remember the night when I looked into your  
eyes  
I knew it must be love  
I can still remember the time came as no surprise  
I knew it must be love

It's too late, good-bye  
Not that we didn't try  
I feel so bad  
I'm hurtin' inside

Bridge:

I can still remember the night when I looked into your  
eyes  
I knew it must be love  
I can still remember the time came as no surprise  
I knew it must be love

Chorus:

It's never easy, easy  
When you fall out of love  
It's never easy, easy  
When you fall out of love

Solo -

Bridge:

I can still remember the night when I looked into your  
eyes  
I knew it must be love  
I can still remember the time came as no surprise  
I knew it must be love

Chorus:

It's never easy, easy  
When you fall out of love

It's never easy, easy  
When you fall out of love

Chorus:

It's never easy, easy  
When you fall out of love  
It's never easy, easy  
When you fall out of love
