

Loverboy "Jump"

Was it your idea to meet me like this?
Sneak around with the lights down low?
It feels so good I hope it doesn't fade away

But if they catch us here together this way
You know we'd better think quick
'Cause you bet your last buck they'll be first to get the
last lick

When I say jump
You better jump
When I say walk
You'd better get ready to say goodbye

Now you can't always get what you want when you want
it
So you settle for second best
You need it so bad, don't matter what price you pay

When you're livin' on the line takin' chances like this
One slip could do the trick
'Cause you bet your last bucks they'll be first to get the
last lick

When I say jump
You better jump
When I say walk
You better get ready to say goodbye

And when I look at you now
Somehow it don't seem right
But it feels so good tonight

When I say jump
You better jump
When I say walk
Well you better get ready to say goodbye

Jump
When I say jump
When I say walk
You better get ready to say goodbye
