We just heard of a brand new wave  
And we hope it's here to stay  
We'll have to wait and see  
If it's half of what they say

We heard he opened up a brand new door  
Well you know that's what I'm lookin' for  
We'll have to wait and see  
If it makes you shout for more

How do you like him so far?  
How do you like his show?  
How do you like the way he rocks and the way he rolls?

How do you like his image?  
How do you like his style?  
How do you like the way he looks and the way he  
smiles?

The kid is hot tonight  
Whoa so hot tonight  
But where will he be tomorrow?

The kid, is hot tonight  
Whoa so hot tonight  
But where will he be tomorrow?

And we just heard of a brand new fad  
And they say, "It's gonna drive you mad"  
We'll have to wait and see  
If it's the best you ever had

And we just heard of a brand new wave  
We heard it's headin' for an early grave  
We'll have to wait and see  
If there's anything we can say

How do you like him so far?  
How do you like his show?  
How do you like the way he rocks and the way he rolls?

How do you like his image?

How do you like his style?  
How do you like the way he looks and the way he  
smiles?

The kid is hot tonight  
Whoa so hot tonight  
But tell me, where will he be tomorrow?

The kid, is hot tonight  
Whoa so hot tonight  
But where will he be tomorrow, whoa?

The kid is hot tonight  
Whoa so hot tonight  
But where will he be tomorrow?

The kid, is hot tonight  
Whoa so hot tonight  
But where will he be, where will he be?

The kid is hot tonight  
Whoa so hot tonight  
But where will he be tomorrow?

The kid, is hot tonight  
Whoa so hot tonight
