All day I've been banging the walls
Like a prisoner in a cell
And if I don't get out I'm going to lose my mind
And there's more for me I'm tired of the same old
scene

I can't wait to see that face to say goodbye, bye bye
I want to say goodbye
I got something inside of me
That I don't intend to waste

I've got dreams, baby I can't forget
I've been looking all around and there's nothing left for
me
There's only one way out and girl
I'm going to take it

Push me, pull me, never get a minute to yourself
Pure hell, get you if you let it, stand up, sit down
All I ever get is your backtalk, back off, push me to the
limit
I lead a double life, I come alive at night

I had champagne milkshake for breakfast
But I don't know where I'll sleep tonight
I've got a blue-eyed earthquake, she's lyin' in my bed
Ain't it a wonderful life?

Push me, pull me, never get a minute to yourself
Pure hell, get you if you let it, stand up, sit down
All I ever get is your backtalk, back off, push me to the
limit
I lead a double life, I come alive at night

Push me, pull me, never get a minute to yourself
Pure hell, get you if you let it, stand up, sit down
All I ever get is your backtalk, back off, push me to the
limit
I lead a double life, I come alive at night

I lead a double life, I come alive at night
I lead a double life, 007

We lead a double life, double life, yeah
We lead a double life [Incomprehensible]
We lead a double life [Incomprehensible]
We lead a double life, we lead a double life
We lead a double life, we lead a double life
We lead a double life, we lead a double life
