Don't ask me how, but guess who hit the big time?
Don't look now, but guess whose back in town?
It's so easy, don't even have to try
You're the winner, you can take the prize
It's a dream come true, which one will it be
It's a dream come true, we'll just wait and see

Only the lucky ones, get to steal the show
Only the lucky ones, really get to know
Only the lucky
Only the lucky ones, get lucky

Same old story somethings never change
With a beautiful girl every thing's prearranged
Your whole life, it comes to you for free
You wear it well, it comes so naturally
It's a dream come true, which one will it be
It's a dream come true, we'll just wait and see

Only the lucky ones, get to steal the show
Only the lucky ones, really get to know
Only the lucky
Only the lucky ones, ahh

But don't ask me how, but guess who hit the big time?
Don't look now, but guess whose back in town?
It comes so easy, don't even have to try
You're the winner, you can take the prize

Lucky ones
Only the lucky ones, really get to know
Only the lucky
Only the lucky ones, ahh lucky
