Here you come again
Lookin' for another thrill
With your lipstick, high heel shoes
Lookin' like you're dressed to kill

Tattoo stuck on you
Branded by a chosen few
What short memory
Now it's time to pay your dues

Don't you hear a word I say?
Just turn your head and look this way

And read my lips, read my lips
Listen to me, I'm talkin' to you
Read my lips, read my lips
I'm tellin' you, I'm through with you

I know where you go
When you need to get some
Bad little actress on a mattress
It's seduction, anything for you

You don't hear a word I say
So turn your head and look this way

And read my lips, read my lips
Listen to me, I'm talkin' to you
Read my lips, read my lips
Listen to me, you're history

I've been watching what you do
And it doesn't take a fool
To see what we've been through
Oh, gonna turn the page on you

You don't hear a word I say
So turn your head and look this way

And read my lips, read my lips
Listen to me, I'm talkin' to you
Read my lips, read my tips

Oh, I'm through with you

Read my lips, read my lips
Listen to me, I'm talkin' to you
Read my lips, read my lips
Listen to me, you're history

Oh yeah, read my lips
I said, read my lips
Read my lips
Just read my lips
