She's so fine, she's so eccentric
And what she buys must be authentic
I paid up to keep her down
I go crazy when she's not around, yeah, yeah

She's got me in the palm of her hand
But please understand
No one ever made me feel
Quite like a man

She does, oh ya
You see that little girl of mine
That's where my money goes
That's where my money goes

And I work hard, I work overtime
(He works hard)
It's no good 'cause I can't save a dime
When I have it, I got to spend it

On my baby
'Cause I'm so dependent, ya, on love

My friends tell me, I'm out of my mind
But it's not a crime
I'll do anything to keep that girl all mine
Oh ya, all mine

She's satisfied and it shows
That's where my money goes
That's where my money goes
So take it all baby

Now listen

My friends tell me, I'm out of my mind
But it's not a crime
I'll do anything to keep that girl all mine
Oh ya, I know

She's satisfied and it shows
She's satisfied and it shows

That's where my money goes
(That's where his money goes)
That's where my money goes
(That's where his money goes)

That's where my money goes
(That's where his money goes)
That's where my money goes
(That's where his money goes)

I'll tell ya'
She's satisfied and it shows
That's where my money goes
(That's where his money goes)
That's where my money goes
(That's where his money goes)

That's where my money goes
(That's where his money goes)
That's where my money goes
That's where his money goes

Bye, bye, money
Hello happiness
