We just heard of a brand new wave

And we hope it's here to stay

We'll have to wait and see

If it's half of what they say
We heard he opened up a brand new door
Well you know that's what I'm lookin' for
We'll have to wait and see if it makes you shout for
more
How do you like him so far?
How do you like his show?
How do you like the way he rocks and the way he rolls?
How do you like his image?
How do you like the way he looks and the way he
smiles?
How do you like his style?

CHORUS:

The Kid is hot tonight
Whoa so hot tonight
But where will he be tomorrow?
The kid, is hot tonight
Whoa so hot tonight
But where will he be tomorrow
And we just heard of a brand new fad
And they say it's gonna drive you mad
We'll have to wait and see if it's the best you ever had

And we just heard of a brand new wave

We heard it's headin' for an early grave

We'll have to wait and see if there's anything we can
say

(repeat chorus)

The kid is hot tonight

Whoa so hot tonight

But where will he be tomorrow

The kid is hot tonight
Whoa so hot tonight
But where will he be, where will he be?

The kid is hot tonight
Whoa so hot tonight
But where will he be tomorrow?

The kid is hot tonight, whoa
