Ow! Ow! Ow!

Oh yeah, yeah yeah!

Oh... Well it's been six long years,  
Baby, I've done my time.  
You're puttin' too much pressure  
On this heart of mine.

Oh! Well I know what I need,  
I need it from you.  
Yes I do.  
I'm gonna get my thrill,  
Before the night is through.

Ew!

(Oh no) I can't see straight,  
My head is spinnin'...  
(Oh yeah) Legs start to shake...  
You got me spinnin' around.

[Chorus:]  
I'm running too hot.  
I think I'm boilin' over.  
(Too hot)  
I'm losin' control.  
(I'm runnin' too hot)  
You better think it over.  
Better run for cover,  
'Cause I can't cool down, no.

I spend my whole life lookin'  
For a? like you.

Ew yeah.

I can't begin to tell you,  
What I'm-a gonna do to you.

(Oh no) I can't see straight  
My head is spinnin'...

You got me spinnin' around.  
(Oh yeah) - Legs start to shake...  
C'mon little girl,  
Take me all the way down.

[CHORUS]  
[CHORUS]

[Guitar bridge]

Baby, baby, baby.

You got me spinnin' around,  
Baby, baby, baby, baby!

(I'm running too hot)  
I think I'm boilin' over.  
(Too hot)  
Yeah, I'm losin' my mind.  
(I'm runnin' too hot)  
C'mon little girl, think it over.  
Better run for cover,  
'Cause I can't cool down, no.

(I'm running too hot)  
Babe I'm boilin' over.  
(Too hot)  
Woah, woah, woah, yeah.  
(I'm running too hot)  
You better think it over.  
Better run for cover,  
'Cause I can't cool down.

(I'm running too hot)  
Sing it little baby.  
(I'm running too hot)  
I'm losing my mind.  
(I'm running too hot)  
Ohh  
(I'm running too hot)  
You better run for cover  
'Cause I'm losing control.  
(I'm running too hot)

Shot down in love.  
(I'm running too hot)  
I'm gonna give it to ya.  
(I'm running too hot)

C'mon...
