When you look into his eyes  
It comes to you as no surprise  
It's always the same  
Every time he's out with you  
He tries to tell you what to do  
You don't need it that way

Sometimes you think you're playing the fool  
He's running around breaking all the rules  
Somehow that don't seem fair  
There's got to be a better way  
You know what I'm trying to say

'Cause deep deep down inside  
You're living in a life in total lies  
What did he ever do for you?  
What's he trying to put you through?  
I just don't understand  
You showed him love and tenderness  
Touched him with your sweet caress  
Now he's leaving you

So what's the point in working it out?  
Tell me what it's all about  
That's why I'm saying

I hope you're with me  
I hope you're with me when it's over  
I hope you're with me  
I hope you're with me when it's over

You won't be lonely

You won't be lonely when it's over  
You won't be lonely (you)  
When it's over

It's over, it's over, it's over  
It's over, it's over, it's over

(instrumental)

And in the morning when he's gone  
Please don't sing that sad sad song  
I don't want to hear it  
Forget about him, let him go  
It won't hurt what he don't know

What's he trying to say to you?  
What's he trying to tell you?  
He don't really care  
Face the truth and realize  
You don't need his alibis  
No more

I hope you're with me  
I hope you're with me when it's over  
I hope you're with me  
I hope you're with me when it's over

You won't be lonely  
You won't be lonely when it's over  
You won't be lonely (you)  
When it's over

It's over, it's over, it's over  
It's over, it's over, it's over

(ooh ooh ooh ooh ooh ooh...)
