Everyone's watching,
To see what you will do
Everyone's looking at you,
Oh Everyone's wondering,
Will you come out tonight
Everyone's trying to
Get it right, get it right

Everybody's working for the weekend Oh Everybody wants a new Romance Everybody's going off the deep end Everybody needs a second chance, You want a piece of my heart You better start from the start You wanna be in the show Come on baby lets go

Everyone's looking to see if it was you Everyone wants you to pull through Everyone's hoping it'll all work out Everyone's waiting they're holding out

Everybody's working for the weekend Oh Everybody wants a new Romance Everybody's going off the deep end Everybody needs a second chance, You want a piece of my heart You better start from the start You wanna be in the show Come on baby lets go
