Beautiful girl, wherever you are  
I knew when I saw you, you had opened the door  
I knew that I'd love again after a long, long while  
I'd love again.  
You said hello and I turned to go  
But something in your eyes left my heart beating so  
I just knew that I'd love again after a long, long while  
I'd love again.

Refrain : It was destiny's game  
For when love finally came on  
I rushed in line only to find  
That you were gone.  
Whenever you are, I fear that I might  
Have lost you forever like a song in the night  
Now that I've loved again after a long, long while  
I've loved again.

\*Repeat Refrain

Beautiful girl, I'll search on for you  
Til all of your loveliness in my arms come true  
You've made me love again after a long, long while  
In love again  
And I'm glad that it's you  
Hmm, beautiful girl
