I can't take all the blame, now can I
It takes more than one to lose
Such a fine line
That lies between but holds together
Turn to the night, turn to the time
Woh hoh woh, and I'm
Findin' out the hard way
It's gonna take some tears,
Little bit of heartache
We're like islands in the stream
Watchin' all our dreams
Startin' to fade, fadin' away
A moment gone is gone forever
It's like water through the hands
And you spin the wheel of misfortune
Watching the time,
We're livin' in love
No, If I
Find another hallway
It's gonna take some tears,
A little bit of heartache
We're like islands in the stream
Watchin' all our dreams
Startin' to fade, fadin' away
I keep reachin' out,
Come up empty handed
Didn't I let you down
Or did I leave you stranded
And I'm findin' out the hard way
It's gonna take some tears,
Little bit of heartache
We're like islands in the stream
Watchin' all our dreams
Startin' to fade, fadin' away
Woh, and I'm findin' out the hard way
It's gonna take some tears,
A little bit of heartache
We're like islands in the stream
Watchin' all our dreams
Startin' to fade, fadin' away
Startin' to fade, fadin' away
Startin' to fade, fadin' away

Fade away
