Take me to your heart
Show me where to start
Let me play the part of your first love
All the stars are right
Every wish is ours tonight, my love

Pity those who wait
Trusting love to fate
Finding out too late that they've lost it
Never let them go
They will never know the ways of love

[Chorus]
Gotta believe in magic
Tell me how two people find each other
In a world that's full of strangers
Gotta believe in magic
Something stronger than the moon above
Coz it's magic when two people fall in love

I may never know
Why I need you so
All I need to know is this feeling
Handle it with care
We were born to share this dream, my love

[Repeat Chorus]

[Repeat Chorus]
