Verse 1:

There comes a time
To be free of the heart
I wanna be ready
Ready to start
On a love journey
Got places to go
Made up my mind
And I have got to let you know

Chorus:

Heaven help the heart
That lets me inside
Heaven help the one
Who comes in my life
Heaven help the fool
That walks through my door
Cause I decided right now
I'm ready for love

Verse 2:

A funny feeling coming over me
Now I'm inspired and open
To being a love place
But it's out of my hands
I'm telling you, baby that you got to understand

(repeat chorus)

Bridge:

Can't see what's out there for me
And I know love offers no guarantee
I'll take a chance and I'm
Telling you something, babe
I got to let you know

(repeat chorus)

Ready for love
