Don't wana talk
Don't wana drive
Don't wana scream out loud
How do I make you mine
Don't wana change your mind
Don't wana know whos wrong or right
Don't wana say goodnight
I'm no good with goodbye

So lets ignore the signs
That say were running out of time

I wana be everything
More than you'll ever need
I know
I want to be the one
I would give anything
To be what you want me to be
I know
I want to be the one

Don't wana sing
Don't wana fight
Don't wana go back home
I'm in no shape to drive
Don't wana make you cry
Don't wana leave us far behind
Don't wana break up
To make up one more time

So lets ignore the signs
That say were running out of time

I wana be everything
More than you'll ever need
I know
I want to be the one
I would give anything
To be what you want me to be
I know
I want to be the one

I don't wana live without you
Don't even think I know how to
There must be a way to rewind
And start all over again!

I wana be everything
More than you'll ever need
I know
I want to be the one
I would give anything
To be what you want me to be
I know
I want to be the one

Don't wana talk
Don't wana drive
Don't wana say goodnight
I'm no good with goodbyes

I wana be everything
More than you'll ever need
I know
I want to be the one
I would give anything
To be what you want me to be
I know
I want to be the one
