People try and tell me that its crazy  
You and I were never meant to be  
I don't believe they know,  
and even if it's so  
I'm fallen anyway, no matter what they say.

Refrain:

A part of me is taking me by the hand  
The world can't see  
Still they can't understand  
Why can't they understand. . . .

Chorus:

My heart has a mind of its own  
Right or wrong its gonna do  
Only what it feels is true  
I'll follow it wherever it goes  
Anywhere it leads me to  
My heart has a mind, mind of its own.

Maybe we won't always be together  
Maybe this'll last a thousand year  
Ain't nobody knows, and even if they did  
It wouldn't matter now  
I'd love you anyhow.

Repeat Refrain and Chorus

My heart knows what I'm needing  
My heart knows what I'm feeling  
It knows me better than I know myself  
My heart knows what I'm missin'  
All I have to do is listen  
And listen well. . . .

Repeat Chorus
