Sarah:

If you love me like you tell me
Please be careful with my heart
You can take it just don't break it
Or my world will fall apart

Sarah:

You are my first romance
And I'm willing to take a chance
That 'till life is through
I'll still be loving you

Sarah:

I will be true to you
Just a promise from you will do
From the very start
Please be careful with my heart

Christian:

I love you and you know I do
There'll be no one else for me
Promise I'll be always true
For the world and all to see

Christian:

Love has heard some lies softly spoken
And I have had my heart badly broken
I've been burned and I've been hurt before

Christian: So I know just how you feel

Sarah: (how I feel)

Christian: Trust my love is real for you

Sarah: (I hope that you're love is real)

Christian: I'll be gentle with your heart

Both: I'll caress it like the morning dew

Both: I'll be right beside you forever

Both: I won't let our world fall apart

Christian: From the very start

Christian: I'll be careful with your heart

Sarah: You are my first (and you are my last) romance

Sarah: And I'm willing to take a chance
Christian: (I've learned from the past)
Sarah: That 'till life is through
Both: I'll still be loving you

Sarah: I will be true (I will be true) to you
Sarah: Just a promise from you will do (only to you)
Sarah: From the very start
Christian: (from the very start)
Sarah: From the very start
Christian: (from the very start)
Sarah: From the very start
Sarah: Please be careful with
Christian: (I'll be careful with)
Both: my heart (your heart)
