[Fearless Four]

Ahhh... Fearless Four... Well, I'll be back for more...

They're here!

DLB (hu huh hah ha)

Tito (ha hah, ha hah)

Mike C (hey girl, hey girl)

Peso...

(D-L-B's) rockin it rockin it yes he is rockin it

(Tito's) rockin it yes he is rockin it

(Mike C!) rockin it yes he is rockin it (ha hu-hah!)

(Peso!) rockin it yes he is rockin it

We're all rockin it you should be rockin it, rockin it...  
rockin it

Don't, don't fight or fuss

If, you, wanna rock with us

Our talent's with us, so with us leave your trust

Get to the show train cab or bus cause we're

Rockin it rockin it yes we are rockin it, rockin it... rockin  
it

Yeah! Hah ha-hah ha-hah!

Wassup baby?

You know par-tay people we are back again

with a sure shot win

But we're much more better than we were back then

Not that we were apart, but yo we gets smart

AS LONG AS THE RETURN IS OF THE FEARLESS FOUR

Featuring DLB, Tito, and Mike C

And Peso -- hah, and we won't S-T-O-P

Cause see we'll tell ya from the top that our crew won't  
stop

SO LET THE BELLS JING-A-LING AND LET THE

CHAMPAGNE POP!

Oh it's a celebration

Sort of a dedication, to all our fans throughout the  
nation

Who send in their letters and dial in on a cord

AND FOR ALL THE NEWCOMERS JUST GETTIN ON BOARD

Who wanna rock with us and turn the party out  
Well we wanna know what the Fearless is all about  
Why don't ya come along with us, if ya wanna scream  
and shout  
And especially come if you have no doubt that we're  
Rockin it... rockin it

Now, goin' one-by-one  
Individually we'll rhyme to expand the fun  
So clear yourself from the launchin pad as we blast off  
We'll begin with the first, and end with the fourth  
as we're rockin it (rockin it y'all) rockin it

[DLB]  
My skills, will climb, when I start, to rhyme  
and I'm always guaranteed to be on time  
You're like me, you got good taste just look at my bod'  
and face  
Microphone wizard is in the race and I am in first place  
Cause anyway I am the best on top of East West  
DLB's on top of all of the rest when I'm  
Rockin it... rockin it

[Tito]  
You know the rhymes are so bad when they come to me  
I'll make your fans step forward, and other rappers flee  
Ask me about my skills and I'll reply top shelf, ha ha ha  
To tell the truth, well I amaze myself, hey how  
am I so good, well I really don't know  
But I know that there's no other, quite like Tito when I'm  
Rockin it... rockin it

[Mike C]  
Well I'm a million dollar boy and a billion dollar man  
and if you got it I can get it with a wave of my hand  
Got a voice so nice never say rhymes twice  
Never have to explain, because I'm so precise  
And if you ever wanna battle, you better prevent  
The Mighty Mike C! MC President when I'm  
Rockin it... rockin it

[Peso]  
Well let's get right down to the bottom of things  
We're here to get you on the floor with the music we  
bring  
Smurfin out, shake bake and rattle n roll  
Dance to the jazzy rhymes of the Great Peso  
Comin out like a winner from the startin gate  
Endin up like a champ you know, so great  
I may be last on the line, but I'm one of the best  
Can't you hear, my rhymes are funky fresh when I'm

Rockin it... rockin it

And we're rockin it... rockin it  
And you're rockin it... rockin it

[Fearless Four]

Now, even as we play  
There's a new wave of sound goin' on today  
We know your time is very precious so we won't stall  
We'll just put some words together and tell you all  
How we're Rockin it...(rockin it y'all) Rockin it

It's the computer rhyme, a new electrical shock  
Consisting of weird noises all around the clock  
But of course music plays along cause it's a must  
So let us tell you who does all of this for us  
(O.C) He stands up behind the strong  
(O.C) He keeps the beat on time for so long  
(O.C) Goes along dance, rhyme or song  
(O.C) The Master won't steer you wrong when he's  
Rockin it... rockin it!

(Crazy Eddie) In my opinion, no.1 protege  
(Crazy Eddie) There ain't a record that he can't play  
(Crazy Eddie) See him once and I know you'll say  
(Crazy Eddie) Can hold his ground against any DJ when  
he's  
Rockin it... rockin it!

Haaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaah!  
Yeah! Yeah! Yeah! Yeah! Yeah!  
Oh yeah? OH YEAH.
