No one ever saw me like you do  
All the things that I could add up too  
I never knew just what a smile was worth  
But your eyes see everything without a single word  
CHORUS  
'Cause there's somethin' in the way you look at me  
It's as if my heart knows you're the missing piece  
You make me believe that there's nothing in this world I  
can't be  
I never know what you see  
But there's somethin' in the way you look at me  
If I could freeze a moment in my mind  
It'll be the second that you touch your lips to mine  
I'd like to stop the clock, make time stands still  
'Cause, baby, this is just the way I always wanna feel  
CHORUS  
'Cause there's somethin' in the way you look at me  
It's as if my heart knows you're the missing piece  
You make me believe that there's nothing in this world I  
can't be  
I never know what you see  
But there's somethin' in the way you look at me  
BRIDGE  
I don't know how or why I feel different in your eyes  
All I know is it happens every time  
CHORUS  
'Cause there's somethin' in the way you look at me  
It's as if my heart knows you're the missing piece  
You make me believe that there's nothing in this world I  
can't be  
I never know what you see  
But there's somethin' in the way you look at me  
The way you look at me
