[GirL:]

Here I am on my own
Trying hard to let go
Wish I could say goodbye
To a love I tried hard to deny

No I can't run from the past
I'm holding on to a dream that won't last

Truly forever my love is just for you
But now you belong to someone new
Dreaming that someday, I'd share my life with you
I'm hoping, you feel the same way too

[Boy:]

If only I cud turn back time
To the place where I first saw your sweet smile
Cause there in your eyes, I saw something true
And I just can't erase, these memories of you

Truly forever my love is just for you
This heart was never meant to someone new
Dreaming that someday, I'd share my life with you
I'm hoping, you feel the same way too

And all my life (all my life)
Is just for you...

Do you feel it too? (Do you feel it too?)

Truly Forever... (Truly Forever)
My Baby Forever Only for you... (Only for you)
And now it's too late (But now it's too late)
Time did not wait (Time did not wait)
Maybe, it's better left unsaid

I wish that you
Somehow knew
That deep inside
I feel the same way too...
