He drove her home,
Last Friday night,
Another date,
Another stupid fight,
He tried to make-up,
Just one emrace,
She slammed,
The car door,
Slammed it in his face,
Now he's running through
the lawn,
He's tryin' to catch her
before she's gone,

(Chorus)
No more waiting by the phone,
She's not afraid
just to be alone,
She said boys don't,
Boys don't matter,
She's going out,
With all her friends,
She's starting to,
Feel free again,
She said boys don't,
Boys don't matter,

She's been so hurt,
He's been so mean,
Smacks her around,
Like she's a tambourine,
It's her time to laugh,
It's her time to sing,
Now it's her time,
To just try anything,
Now she's running through
his mind,
Wondering why she said goodbye,

(Chorus)

Her mind is made up,

She'll let the memories
lay there,
With the mess he's made
there,
And walk away,

No more waiting
by the phone,
She's not afraid just
to be alone,
She said, boys don't,
Matter,

(No more lying,
No more cheating,
She's so done
with him)
Boys don't,
Boys don't matter,
She's going out with all her friends,
She's starting to feel free again,
She said boys don't,
Boys don't matter,
No waiting by the phone,
She's not afraid to be alone,
Boys don't,
Boys don't matter,

Her mind is made up,
Boys don't matter!
