He knows you like to,
Sleep on your left side.
He's heard you talk to,
Yourself when you dream.
I guess by now,
He's called you lover,
Turned to that other,
Guy I used to be.

I wish I didn't care.
I wish it didn't,
Cut like the edge of the bottle that's broken in there.
I wish I didn't care.

You're wearing nothing,
Only his t-shirt.
Does he know your body,
Better than me?

I bet you told him,
Where you keep your valium.
Shared all of those secrets,
I thought were for me.

I wish I didn't care.
I wish it didn't,
Cut like the edge of the bottle that's broken in there.
(I wish that love was fair)
I wish I didn't care.

I wish I didn't care...
That he's taken my place,
Seen the make up and tears,
Run down your face...

I wish I didn't care.
I wish it didn't,
Cut like the edge of the bottle,
Cut like the edge of a bottle that's broken in there.
I wish that love was fair.
I wish I didn't care.
