### VERSE 1

I get up in the morning  
I drink a cup of coffee  
I look out of the window  
I try to get it started  
I turn it all over  
Plow it all under  
I plant 'em in the springtime  
Pick 'em in the summer

### CHORUS

I live in my own mind  
Ain't nothin but a good time  
No rain just the sunshine  
Out here in my own mind  
I live where I can breathe  
Ain't nothin but a cool breeze  
Nobody that it won't please  
Out here where I can breathe

### VERSE 2

Randy and Danny Ray  
They'll show back up any day  
That's one thing you can count on  
But sometime's they'll be long gone  
I'd rather be hunting  
Hooked on fishing  
I read it on their t-shirts  
And if you don't believe it

### REPEAT CHORUS

### VERSE 3

Hardwood floor creakin'  
Bedroom door squeakin'  
She's standing in the kitchen  
I thought she was still sleepin'  
Kiss her on the forehead  
Asked her how she slept  
She says, 'honey it's so early,  
We probably shouldn't speak yet'

REPEAT CHORUS
