As I lay sick and broken  
Viva Mexico  
My eyes just won't stay open  
And I dream a dream of home  
I dream a dream of home  
Where there's coffee on the table  
And kindness in your hand  
Honey I'll help you when I'm able  
But right now I'm feeling bad  
Right now I'm feeling bad  
Listen to your heart that beats  
And follow it with both your feet  
And as you walk and as you breathe  
You ain't no friend to me  
You ain't no friend to me  
The road to Ensenada  
Is plenty wide and fast  
If you head South from Tijuana  
Then I'll see you at last  
I'll see you at last  
But my eyes they open slowly  
And they look around the room  
The old man he seems worried  
And there ain't no sign of you  
There ain't no sign of you  
Listen to your heart that beats  
And follow it with both your feet  
And as you walk and as you breathe  
You ain't no friend to me  
You ain't no friend to me

You can offer to the righteous  
The good that you have won  
But down here among the unclean  
Your good just comes undone  
Your good just comes undone  
The sisters at the borderline  
They're holding out their hands  
They're begging me for something Lord  
But I don't understand  
I don't understand  
So it's adios to Alvero

Tell him to stay between the lines  
And if he sees that Gabriella girl  
Tell her I'll look her up next time  
Say I'll look her up next time  
Because the road to Ensenada  
Is plenty wide and fast  
And this time through Tijuana  
Well it won't be my last  
It won't be my last  
Listen to your heart that beats  
And follow it with both your feet  
And as you walk and as you breathe  
You ain't no friend to me  
You ain't no friend to me  
You ain't no friend to me
