"Belong to No One"

I'm hanging on a threat
So much in me feels sick but I only want
To confront
What's meant for me with a hint of dignity

Dreadful to see
A life lived as a slave for the industry
Smothered fantasies
Gone down the drain along with the poison running
through the vein

I've felt the temptation
Pleasure gained by addiction

But I won't trade my pride for feeling good
I'll suffer just as much as I need to

I am not the one who's waiting for you
(Waiting for you)
I won't give in I belong to no one
I am not the one with a guilty conscience
(Guilty conscience)
But is it wrong to belong to no one

I learned the hard way
To appreciate myself too much to love
Unconditionally
But so much control has left a hole in me

Suspicious wear me down
I will never be completely free
I'm a servant
Of my obsession to question everything

I've felt the temptation
Happiness gained by illusions

But I won't deceive my mind with substitutes
I'll rather grow as much as I need to

I am not the one who's waiting for you

(Waiting for you)
I won't give in I belong to no one
I am not the one with a guilty conscience
(Guilty conscience)
But is it wrong to belong to no one

In the midst of chaos
On these decadent streets
I stand at the crossroads
Should I pretend or surrender

I am not the one who's waiting for you
(Waiting for you)
I won't give in I belong to no one
I am not the one with a guilty conscience
(Guilty conscience)
But is it wrong to belong
To no one
