I'm up against the best  
'Cause whenever she is near  
I'm my own worst enemy

Forbidden and so dangerous  
But in spite of all we've been through I can't flee

IGNITE  
I'm about to hit the floor  
RIGHT NOW  
I shouldn't have begged for more  
THIS FIGHT  
I fight against myself  
THIS TIME  
I'm gonna lose so

Hold me down  
I can't trust myself  
If she's near  
So please take me out of

Here right now  
I can't trust myself  
If she's near  
So take me out of here

Somebody help me awake  
I know this is surreal

And she makes me feel

Subconsciously self-destructive  
'Cause her lies are lethal but insanely seductive

THIS FIGHT  
I fight against myself  
THIS TIME  
I'm gonna lose so

Hold me down  
I can't trust myself  
If she's near

So please take me out of

Here right now  
I can't trust myself  
If she's near  
So take me out of here

Hold me down  
I can't trust myself  
If she's near  
So please take me out of

Here right now  
I can't trust myself  
If she's near  
So take me out of here
