I may run and hide when you're screamin' my name,
alright
But let me tell you now there are prices to fame, alright
All of our time spent in flashes of light

[chorus:]
All you people can't you see, can't you see
How your love's affecting our reality
Every time we're down
You can make it right
And that makes you larger than life

(Alright)

Looking at the crowd and I see your body swing, come
on
Wishin' I could thank you in a different way, come on
'Cause all of your time spent keeps us alive, yeah

[chorus:]
All you people can't you see, can't you see
How your love's affecting our reality
Every time we're down
You can make it right
And that makes you larger than life

(Larger than life)
(Yeah, that's right)

All of your time spent keeps us alive...
Yeah!

[chorus:]
All you people can't you see, can't you see
How your love's affecting our reality
Every time we're down
You can make it right
And that makes you larger than life

(Yeah) Every time we're down
(Yeah) You can make it right

(Yeah) And that's what makes you larger than life

[chorus:]

All you people can't you see, can't you see

How your love's affecting our reality

Every time we're down

You can make it right

And that makes you larger than life (That makes you
larger than life...)

That makes you larger

That makes you larger than life
